Mr. Stuart Lin

Dear Sir:

Your note of the 12th is at hand and I take pleasure in sending you an application card herewith, together with a list of our publications still in print. Please feel that we should be very glad to have you visit our Museum whenever you are in New York. If you will tell me of your particular field of interest it is possible I might be able to suggest some reading material that would be of aid to you. Being, as you are, within reach of the Congressional Library, you would be much more fortunate in obtaining books than most of our correspondents.

Very truly yours,

Secretary.

New York.

Dear Sir:

Returning to town I find your most welcome reply to mine of the twelfth ^{ultimate} and thank you very much for the application and information therein enclosed.

I beg to present my application and express my appreciation of your endorsement.

Will be most happy to visit the Museum when in the Empire City.

Am casually interested in the entire field of Numismatics, but more vitally in Orders and Decorations of all kinds.

Unfortunately many of the volumes in the Congressional Library dealing with the field of Numismatics are either "unavailable" or "not on shelf"!

Respectfully,
Stuart Linn.
